

CHAPTER 2.00 - SCHOOL BOARD GOVERNANCE AND ORGANIZATION

PROGRAM OF AWARDS

2.60+

The Superintendent shall recommend to the School Board individuals who have contributed outstanding and meritorious service in their fields or service areas.

Prior to the School Board's awarding of monetary or non-monetary awards, the criteria for the awards granted at the individual school or the district level shall be submitted in writing to the Board.

The district School Board may expend funds for such recognition and awards within the limits of the Florida Statutes.
