

CHAPTER 3.00 - SCHOOL ADMINISTRATION

PUBLIC INFORMATION AND INSPECTION OF RECORDS

3.50+

The school district will report annually on the status of education in the district. Such report shall be consistent with the requirements in Florida Statutes 1001.42(15), 1008.22, 1008.385 and will implement a system of school reports as required by Statute and State Board of Education rules.

The specific procedures used in reporting to parents can be found in the student progression plan.
