

<b>SCHOOL HEALTH SERVICES</b>
-------------------------------

<b>5.53+</b>
--------------

At the beginning of the year the principal shall inform parent(s) in writing, that students will receive specified health services as provided in the health services plan. Students shall be exempt from any of these services when requested by parents in writing.

Written consent from the student's parents will be obtained prior to any invasive screenings.

**ADOPTED: 08/08/2016**
