

CHAPTER 8.00 - AUXILIARY SERVICES

EMERGENCY DISASTER

8.17+

Designated schools are available for use as emergency shelters. Each principal provides an emergency disaster plan (Crisis Management Plan) for his/her school and the evaluation plan is printed and posted in all classrooms and made available to all concerned parents and the faculty.

If schools are determined to be needed as shelters, all staff are assigned by the Superintendent of Schools to each shelter shall be paid overtime rates based on their regular rate of pay.

District level administrators assigned by the Superintendent of Schools will be reimbursed their straight hourly rate of pay.

Request for use of buses and drivers by the Superintendent of Schools, drivers will be paid their overtime rate.
