

CHAPTER 7.00 - BUSINESS SERVICES

ANTIFRAUD

7.65+

The Antifraud policy will be provided to all employees of the Washington County School district. The policy will also be discussed at the new employee orientation each year.

Any suspected or detected incident of fraud shall be promptly reported to the individual at the district level responsible for Human Resources Services. That individual will conduct an investigation into the reported alleged fraud. Information/documentation resulting from the investigation will be shared with the Superintendent. If disciplinary action is warranted, School Board Policy 6.37 will be followed.
