

## CHAPTER 5.00 – STUDENTS

### POST-SECONDARY CAREER AND TECHNICAL PROGRAMS 5.13\*+

- (1) The Superintendent or designee shall develop written procedures to implement Florida Statutes and State Board of Education rules which pertain to students with learning disabilities or other impairments who enter post-secondary programs in technical college training centers. The procedures shall include, but not be limited to:
  - (a) A method for identifying students who meet the definition of hearing impaired, visually impaired, or learning disabled pursuant to State Board of Education rules.
  - (b) Development of reasonable substitutions for admission and graduation requirements for post-secondary programs offered at a technical college.
  - (c) A plan for advising students about eligibility criteria and substitution requirements.
  - (d) Individualized counseling for students who may qualify for substitution requirements.
  - (e) An appeal process for students who do not qualify for substitution requirements.
  - (f) A student who attends the Technical College shall be classified as either a high school student or an adult student.
    - (i) A high school student is a student who is age sixteen (16) or older and is concurrently enrolled in a regular high school and the Technical College for one (1) to six (6) hours daily.
    - (ii) An adult student is a person who is sixteen (16) years or older and has withdrawn from a regular school program.
- (2) A dual enrolled high school or adult student who has documented disability and is completing a postsecondary career and technical program may be exempted from meeting the career and technical basic skills levels required for completions of the program. The District shall establish exit criteria for disabled students who have not achieved the basic skills levels on the posttest.
